WHO WE ARE

We are passionate about delivering high-quality services with a commitment to excellence and innovation, we strive to make a meaningful impact in everything we do. Whether it is planning & styling a special occasion, personal shopping & styling, or reselling curated items.

Mustard Seeds was created from a belief that small, thoughtful choices can shape meaningful experiences. My work brings together event planning, personal styling, and curated resale with a focus on intention, simplicity, and care.

I approach each client and project with the understanding that style and space are personal. Whether I'm guiding a wardrobe refresh, styling an event, or curating pre-loved pieces, the goal is always the same: clarity, cohesion, sustainability and confidence without excess.

Mustard Seeds is rooted in purpose and thoughtful service. Every detail is considered, every recommendation is intentional, and every experience is designed to feel calm, refined, intimate and personal.
